OUR RICH HISTORY OF QUALITY FOOD

For more than 50 years the Vitale family has been serving West Michigan with the continued family tradition of great service and delicious food! Throughout the years, Vitale's has grown into the full service restaurants we are today. We not only want to exceed your expectations of quality food, service, and atmosphere, but our hope is to be deeply rooted in serving the community as well. We operate our restaurants with integrity and respect, and we do it in a personal way.
